HOW WE FIRST BEGAN...

At ABAD, we believe that first impressions aren't just important - they're everything. Since our humble beginnings in 1931 as exporters of sun-dried shrimps, our relentless drive to excel from the word go has been the foundation of our success, enabling us to transform into one of Kerala's most respected and diversified business groups.

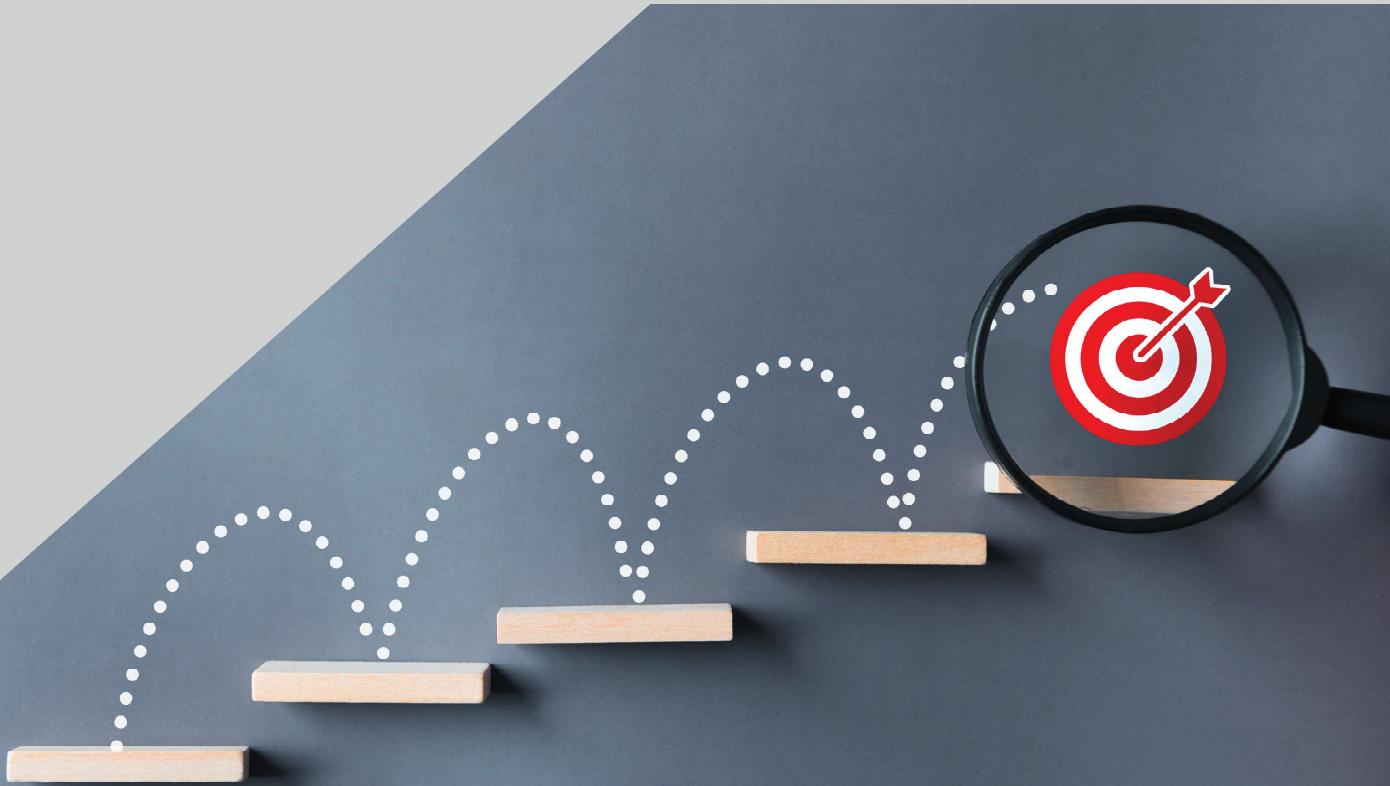

ABAD Builders, established in 1995 by Mr. Riaz Ahmed, under the visionary leadership of our Managing Director Dr. Najeeb Zackeria, has today become a name synonymous with quality, innovation, and reliability in Kerala's real estate sector. From thoughtful design to impeccable craftsmanship, and an uncompromising commitment to customer satisfaction, we strive to deliver not just homes, but lasting value.

FIRST AMONG EQUALS

Over the decades, ABAD Group has grown into a dynamic, multi-sector conglomerate with a significant presence across Kerala's commercial landscape. Our diversified portfolio spans seafood exports, hospitality (hotels and resorts), food services, real estate development and consultancy, property management, mall operations, and interior solutions.

Across every venture, we remain guided by the same core principles: excellence in execution, an unwavering pledge to quality, and deep-rooted values that continue to earn the trust of our customers and partners.
